

EU High Level Event on

"International cooperation to enhance a worldwide nuclear security culture"

Contribution to the Nuclear Security Summit 2014

Amsterdam, 20 March 2014

Sheraton Amsterdam Airport Hotel

Room Universe 1 & 2

Draft Agenda

09:00-9:30 Registration

09:30-10:00 Welcome by the European Union and Government of the Netherlands

- **Mr Vladimír Šucha** – Director-General, Joint Research Centre, European Commission
- **Mr Fernando Frutuoso de Melo** – Director-General, DG Development and Cooperation, European Commission - TBC
- **Ms Helga Schmid** – Deputy Secretary General, European External Action Service
- **Mr Mark Dierikx** – Director General for Energy, Telecommunications and Competition - Ministry of Economic Affairs (the Netherlands)

10:00-11:30 Panel 1: Towards a Nuclear Security culture enhancing global security – IAEA, GP, GICNT, CTBTO

An effective nuclear security culture can strengthen the security of nuclear and radioactive material, and in particular prevent, detect and respond to malicious acts involving nuclear and radioactive material. During this session representatives of the main international organisations and institutions dealing with nuclear security will discuss the basic concepts and elements of nuclear security culture.

Chair:

- **Mr Jonathan Lucas** - Director of the United Nations Interregional Crime and Justice Research Institute

Speakers:

- **Mr Khammar Mrabit** - Director, IAEA Division of Nuclear Security
- **Mr Azzedine Farhane** - Director of the Department of the United Nations and International Organizations, Ministry of Foreign Affairs of Morocco and Chair of the GICNT Response and Mitigation Group
- **Ms Bonnie Jenkins** - Coordinator for Threat Reduction Programs, U.S. Department of State and Co-Chair of the G8 Global Partnership Working Group
- **Mr Patrick Grenard** - Special Assistant to the Executive Secretary of the CTBTO

Rapporteur:

- **Mr Wolfgang Rudischhauser** – Chair of the EU Non-Proliferation Working Party (CONOP), European External Action Service

Questions and Answers Session

11:30-11:45 **Coffee break**

11:45-13:15 **Panel 2: Exchange of views on best practices to enhance nuclear security and lessons learnt**

Promotion and enhancement of the concept of nuclear security culture is crucial in order to ensure nuclear security worldwide. International cooperation aimed at establishing a strong

nuclear security culture needs to be ensured. Canada, France, the United Kingdom and the United States will discuss best practices enhancing the nuclear security, lessons learnt and ways forward to strengthen nuclear security culture.

Chair

- **Ms Györgyi Martin Zanathy** - Head of the EU Delegation to the International Organisations in Vienna

Speakers:

- **Mr Simon Limage** - Deputy Assistant Secretary for Nonproliferation Programs, U.S. Department of State (USA)
- **Mr Frederic Mariotte** - Deputy Director, Risk Management Sector / Security Head Division, French Alternative Energies and Atomic Energy Commission – CEA (France)
- **Mr Christopher Hobbs** - Deputy Director for Knowledge Transfer at the Centre for Science and Security Studies (CSSS) - King's College London (United Kingdom)
